WHAT ARE CONCIERGE AND LIFESTYLE MANAGEMENT SERVICES?

A Personal Concierge will find anything a client might need or want. A personal concierge is a source of diverse information and is experienced in dealing with ultra-high net worth (UHNW) individuals and families.

A Personal Concierge has the skills to organise every request from the mundane to the extraordinary. To do the things that you have to, leaving you the time to do the things that you want to.

WHY USE A PERSONAL CONCIERGE?

The main reasons that people use a Personal Concierge are:-

- Having someone to manage their busy lives for them and who genuinely cares about the service they give.
- An elite personal concierge has the experience to be resourceful and facilitate solutions to your specifications.
- You will benefit from the skills of a Personal Concierge who has the key contacts locally and worldwide.
- I will listen to what you want with an attitude of service.

WHAT SERVICES ARE AVAILABLE?

Services may include:-

- Private Jet and Yacht Charter worldwide.
- Bodyguard and personal chauffeur services.
- Exclusive access to the lifestyle and VVIP events you expect across the world
- Personal shopping, children's parties or group and solo travel
- Property Management
- Introductions to key contacts and services locally and worldwide

HOW WILL YOU BENEFIT?

For clients always on the go, I am here to organize anything that you lack the time, expertise or contacts to organize yourself.

I will create a relationship of personal care, attention and loyalty with you in order that you have the best experience possible.

I will provide personalized assistance and meticulous attention to detail bringing convenience and immediate results creating a trust that your requests will be responded to quickly and honestly.

"I am passionate about service, helping you to enjoy your lifestyle by opening doors, simplifying procedures and obtaining the unobtainable."
